PLATE 5.—Housewife life of the Terena. a, Woman with loom. b, Adobe house with adjoining sheds.

[P. 77]

[End Plate 5]

Cachoeirinha

/76 cont./ Finally, both in
361 Capão and in Argola, the land plots are situated close to the
241 ranchos, which gives these nuclei an appearance similar to that of small farming fazendas, their chief crops being manioc--with which they make flour--, maize, rice, moranga /Cucurbita maxima/, abóbora /gourds/, bananas, etc.

[621] Other areas of population concentration, such as Saipuri, Buritizal, Vazante, and another score of ranchos scattered through the reservation are given the generic name of roças /farm plots/. This is due to the fact that the planted plots are adjacent to these ranchos, in contrast to the central nucleus, [231] which does not have this. The presence of cattle in this central [417] nucleus, along with pigs and chickens, loose in the aldea streets, prevents the families from having their planted plots close to the ranchos and compels them to have them in areas somewhat removed and duly protected with barbed wire fences.

162 The community is made up almost exclusively of Terêna
621 Indians. Taking the data of the census we carried out in 1957, as an illustration, we see that out of 907 inhabitants, 729 were Terêna, 16 were /77/ Kinikinâu, and nine were Layâna, while the rest were mestizos, the fruits of interethnic and intertribal unions.

439 Trade between the native aldea and the neo-Brazilian population nuclei, such as Duque Estrada and Miranda, is rather active, owing to the lack of economic autonomy of
434 Cachoeirinha (like the other Terêna communities). With the
439 exception of a few families--such as those referred to above as [556] "the rich," --whose members are not employed on the regional labor market, the rest subsist on the labor of the male element (father, husband, and brothers) whose salaries are channeled to the business houses of Duque Estrada, Agaxi, (140) and

[361]

140. Agaxi is a small settlement, even smaller than Duque Estrada, situated southeast of the reservation, next to the river of the same
